

Terms of service

Booking is required for group sessions and opens seven days ahead. Cancellation is free up to twelve hours before the start; later cancellations are deducted from your membership or pack.

Monthly memberships renew automatically and can be stopped up to the last day of the month. Class packs are valid for six months from purchase and are transferable.

A health questionnaire must be completed before the first visit. If you are under medical or physiotherapy care, attendance is agreed with your practitioner. This is sample content for a theme demonstration.
